

Consultants Terms of Eligibility for Practising Privileges

The Regulation and Quality Improvement Authority require the clinic to have a written agreement with the Doctor setting out terms of eligibility for practising privileges at the Orthoderm Clinic.

Practising privileges will not be granted until the following documentation has been received:

- Completed application form;
- GMC registration;
- Full copy of Annual Appraisal;
- Indemnity insurance certificate (to include private practice);
- Enhanced Disclosure certificate through AccessNI;
- References x 2;
- Curriculum Vitae.

Medical indemnity insurances certificates and annual appraisals are be presented to the clinic on a yearly basis, as they are renewed. If this information is not available, sanctions will be applied which will prevent doctors from practising within the Clinic.
